

## What the Bible says

## Lesson 13

1. The Greek word "Baptize" means:
  - \_\_\_\_\_ to immerse under water only
  - \_\_\_\_\_ to wash or pour out water only
  - \_\_\_\_\_ to apply water in any manner (immersing, dipping, pouring, washing)
  
2. A true Baptism:
  - \_\_\_\_\_ may be performed in any religion
  - \_\_\_\_\_ must be performed in the name of the Father, Son, and Holy Ghost, and with water
  - \_\_\_\_\_ in the name of any god with any substance
  
3. Since Jesus gave the command to baptize to all of His disciples:
  - \_\_\_\_\_ only called ministers can baptize in any situation
  - \_\_\_\_\_ any Christian may baptize in an emergency
  - \_\_\_\_\_ parents should just baptize themselves without their pastor
  
4. For the sake of "decency and order" (1 Cor. 14:40) in the church:
  - \_\_\_\_\_ ministers are called to baptize for the congregation
  - \_\_\_\_\_ people should just baptize at home
  - \_\_\_\_\_ no records should be made of baptism
  
5. Find 3 reasons in the lesson why infant baptism should be performed and is not contrary to Scripture:
  - a. \_\_\_\_\_
  - b. \_\_\_\_\_
  - c. \_\_\_\_\_
  
6. Christian parents will bring their children to have the blessings of Baptism. What was the practice in the Bible when adults were to be baptized? \_\_\_\_\_  
\_\_\_\_\_
  
7. It is up to those churches which forbid infant baptism to find a passage against it in the Bible. Since there is no such command against infant baptism, how can we apply Mark 10:13-16 to this question of infant baptism? \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_
  
8. Find a passage in the lesson which shows that the benefit of Baptism is forgiveness of our sins: \_\_\_\_\_
  
9. Find a passage in the lesson which shows that Baptism saves us: \_\_\_\_\_

10. Find a passage in the lesson which shows that rebirth into spiritual life is a benefit of Baptism:

\_\_\_\_\_

11. What will happen to the benefits of baptism if a person later gives up his faith?

\_\_\_\_\_

What would he then deserve because of unbelief? \_\_\_\_\_

12. Mark these True or False:

\_\_\_\_\_ The water used for Baptism has power because it is holy water, specially blessed.

\_\_\_\_\_ Any ordinary water may be used for Baptism.

\_\_\_\_\_ The Bible does not give a definite answer to the fate of unbaptized infants.

\_\_\_\_\_ Baptism offers, gives, and seals to us the forgiveness of all sins.

\_\_\_\_\_ Baptism only gives forgiveness of original sin.

\_\_\_\_\_ Baptized infants should later be taught about their Savior to grow in faith.

\_\_\_\_\_ A person must be baptized several times in his life.

\_\_\_\_\_ A person brought to faith through the Word near the end of life will be damned if he does not have a chance to be baptized.

\_\_\_\_\_ Since the remembrance of our Baptism assures us of God's forgiveness, we can gain daily comfort from our Baptism.

\_\_\_\_\_ It is clear from Scripture that Baptism is only a work of man which really gives us no spiritual benefits.

\_\_\_\_\_ The baptized person should continue to follow Christ in faith and doing good works (newness of life).

13. Baptism is:

\_\_\_\_\_ necessary and of great importance

\_\_\_\_\_ optional and of no real importance for salvation

\_\_\_\_\_ merely a ceremony for naming a baby
