

## What the Bible says

## Lesson 19

1. What is a steward? \_\_\_\_\_
2. Why do we say that Christians are “stewards?” \_\_\_\_\_
3. In what three areas do we want to practice Christian stewardship?
  - a. \_\_\_\_\_
  - b. \_\_\_\_\_
  - c. \_\_\_\_\_
4. Find a passage that shows we should make the best use of our time: \_\_\_\_\_
5. Find a passage showing that it is wrong not to use the gifts, or talents, we have: \_\_\_\_\_
6. Mark those statements that are true:
  - \_\_\_\_\_ Jesus never spoke about the right use of money and neither should our pastors.
  - \_\_\_\_\_ God loves those who give cheerfully for His work.
  - \_\_\_\_\_ Using our money wisely for our family, church, and government is part of good stewardship.
  - \_\_\_\_\_ The needs of God’s Kingdom should be last on the list when preparing family budgets.
  - \_\_\_\_\_ We must still give exactly 10% of our income as this tithe was required in the Old Testament.
  - \_\_\_\_\_ A Christian can look upon giving for God’s work as a privilege.
  - \_\_\_\_\_ The love of Christ for us is the God-pleasing motive for Christian living.
  - \_\_\_\_\_ According to the New Testament, the church should tax each member a certain amount, no matter what his income is.
  - \_\_\_\_\_ God promises many blessings to those who give cheerfully and thankfully.
  - \_\_\_\_\_ God is most impressed with the gifts of the very rich, whether they believe in Him or not.
  - \_\_\_\_\_ In love for Christ, each Christian should set aside a portion of his income for God’s work.
7. Mark those which would be good stewardship of time:
  - \_\_\_\_\_ setting aside time each week to worship in God’s house
  - \_\_\_\_\_ putting most things off in hopes of doing them “tomorrow”
  - \_\_\_\_\_ taking time for some Bible reading each day
  - \_\_\_\_\_ spending most of our time watching old TV programs
  - \_\_\_\_\_ spending time with our families, working and relaxing
  - \_\_\_\_\_ doing as much as we can with the time we have each day
8. Mark those which would be good stewardship of our talents:
  - \_\_\_\_\_ carefully looking at what talent we could use in our church
  - \_\_\_\_\_ making little effort to develop our special skills
  - \_\_\_\_\_ using our gifts to make a living for our family
  - \_\_\_\_\_ studying in the areas in which we are best qualified
  - \_\_\_\_\_ volunteering for work in our church
  - \_\_\_\_\_ using our talents to help those in need of help
